

*Former Crosswinds Clients are
Thankful for the Experience*

"My experience at Crosswinds was unforgettable. I went to Crosswinds about five years ago because I was molested by my mother's boyfriend for most of my life. My school counselor sent me to the police who sent me to Crosswinds because I had nowhere else to go. My nine day stay at Crosswinds was short, but so much happened while I was there. I was such a wreck being away from my family that I cried constantly. But it was just so nice that we had one on one counseling to work through things. There are just so many awesome things about Crosswinds...

Currently, I am a sophomore at college. So much good has come out of the bad in my life. I thank everyone at Crosswinds who helped me so much throughout my difficult circumstances.
